

Chanukah would you rather

Would you rather...

eat latkes with
apple sauce, or
with sour
cream?

Would you rather...

spin a dreidel
for an hour, or
eat eight
doughnuts?

Would you rather...

have jam
doughnuts or
chocolate
doughnuts
every night?

Would you rather...

get chocolate
gelt, or real
coins?

Would you rather...

play dreidel for
gelt, or for
sweets?

Would you rather...

have a dreidel
taller than you,
or one as tiny
as a pea?

Would you rather...

grate the
potatoes, or fry
the latkes?

Would you rather...

make a
menorah out of
clay, or out of
building
bricks?

Would you rather...

open one
present each
night, or all of
them on the
last night?

Would you rather...

eat a sugary
doughnut
without licking
your lips, or
spin a dreidel
with your other
hand?

Would you rather...

have a dreidel
that always
lands on
Gimmel, or one
that sings
when it spins?

Would you rather...

wear
Chanukah
pyjamas all
eight days, or a
blue and white
hat?

Would you rather...

go to Bubby
and Zeidy for
latkes, or have
the family
party at your
house?

Would you rather...

have sprinkles
on everything,
or extra sugar
on everything?

Would you rather...

be the best
dreidel spinner,
or the best
latke maker?

Would you rather...

sing Maoz Tzur
really loud, or
really, really
quietly?
